**Traffic Signal Installation for the Intersection of
Lebanon Road at Legendary Drive**

**Bid Number 1109-068
CIP Number 10-0011
for the
City of Frisco, Texas**

This addendum forms part of the Contract Documents and modifies the original bidding documents dated September 9, 2011. Acknowledge receipt of this addendum in the space provided on the Contract Bid Schedule. Failure to acknowledge receipt of an addendum may result in the bid not being read.

NOTICE TO BIDDERS:

This addendum shall be considered part of the Contract Documents for the above mentioned project as though it had been issued at the same time and incorporated therewith. Where provisions of the following supplementary data differ from those of the original Contract Documents, this Addendum shall govern and take precedence. Work not specifically deleted, modified, changed or altered by this Addendum shall remain in effect as a part of the Contract Documents.

Bidders are hereby notified that they shall make any necessary adjustment in their estimates on account of this Addendum. It will be construed that each bidder's proposal is submitted with full knowledge of all modifications and supplemental data specified herein.

This addendum consists of nine (9) pages including the cover sheet.

1. This addendum is to revise the original Bid Form due to a change to Item #37. The bid shown in words changes from Five Thousand to **Ten Thousand** to match the unit bid price shown in numerical value (\$'s and cents).
2. Documents are due to the office of the Assistant Director of Engineering Services/Transportation of the City of Frisco prior to October 11, 2011 at 2:00 PM Central Time and bids will be opened at 2:05 PM Central Time – No late bids will be accepted.

The bidders must submit their bids on the attached **“Revised Bid Form”**. Any bids submitted on the original Bid Form will not be considered and deemed non responsive.

(Name and Address of Bidder)

1. The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into a Standard Construction Contract with OWNER in the form included in the Contract Documents to perform and furnish all Work as specified or indicated in the Contract Documents for the Bid Price and within the Bid Times indicated in this Bid and in accordance with the other terms and conditions of the Contract Documents.
2. Bidder accepts all of the terms and conditions of the Advertisement to Bidders and Instructions to Bidders, including without limitation those dealing with the disposition of Bid guaranty. This Bid will remain subject to acceptance for sixty (60) days after the day of Bid opening. Bidder will sign and deliver the required number of counterparts of the Contract with the Bonds and other documents required by the Bidding Requirements within ten (10) days after the date of OWNER's Notice of Award.
3. **Bidder agrees to complete the Work in full within sixty (60) calendar days.**
4. In submitting this Bid, Bidder represents, as more fully set forth in the Contract, that:

- (a) Bidder has examined and carefully studied the Bidding documents and the following Addenda receipt of all which is hereby acknowledged: (List Addenda by Addendum Number and Date)

Addendum No. 1 – Date Received: _____

Addendum No. 2 – Date Received: _____

Addendum No. 3 – Date Received: _____

- (b) Bidder has visited the site and become familiar with and is satisfied as to the general, local and site conditions that may affect cost, progress, performance and furnishing of the Work related to the Project.
- (c) Bidder is familiar with and is satisfied as to all City, local, State, Federal and National Laws, Regulations and standards that may affect cost, progress, performance and furnishing of the Work

related to the Project.

- (d) Bidder has carefully studied all reports of explorations and tests of subsurface conditions at or contiguous to the site and all drawings of physical conditions in or relating to existing surface of subsurface structures at or contiguous to the site (except Underground Facilities) which have been identified in the Contract Documents. Bidder accepts the determination set forth in the Contract Documents. Bidder acknowledges that such reports and drawings are not Contract Documents and may not be complete for Bidder's purposes. Bidder acknowledges that OWNER and Engineer do not assume responsibility for the accuracy or completeness of information and data shown or indicated in the Bidding Documents with respect to Underground Facilities at or contiguous to the site. Bidder has obtained and carefully studied (or assumes responsibility for having done so) all such additional or supplementary examinations, investigations, explorations, tests, studies and data concerning conditions (surface, subsurface and Underground Facilities) at or contiguous to the site or otherwise which may affect cost, progress, performance or furnishing of the Work related to the Project or which relate to any aspect of the means, methods, techniques, sequences and procedures of construction to be employed by Bidder and safety precautions and programs incident thereto. Bidder does not consider that any additional examinations, investigations, explorations, tests, studies or data are necessary for the determination of this Bid for performance and furnishing of the Work related to the Project in accordance with the times, price and other terms and conditions of the Contract Documents.
- (e) Bidder is aware of the general nature of Work to be performed by OWNER and others at the Project site.
- (f) Bidder has correlated the information known to Bidder, information and observations obtained from visits to the site, reports and drawings identified in the Contract Documents and all additional examinations investigations, explorations, tests, studies and data with the Contract Documents.
- (g) Bidder has thoroughly reviewed the project and has submitted to the OWNER, at least 96 hours in advance of the date for opening bids, all questions regarding the meaning or intent of the Contract Documents and particularly all questions regarding issues which may affect the pricing or measurement and payment of the project.
- (h) Bidder has capacity to furnish to the OWNER payment, performance, and maintenance bonds in accordance with the requirements of the Contract Documents.
